

# Mom Care Panel

Thursday, October 23

6:30 - 9:00 pm

Calvary Chapel, 4702 East Broadway, Madison

Join us for a panel discussion on how to take care of  
yourself in the midst of home and schooling

A mother must have time to herself. And we must not say, "I cannot."  
Can any of us say till we have tried, not for one week, but for one whole  
year, day after day, that we "cannot" get one half-hour out of the  
twenty-four for "Mother Culture?" - one half-hour in which we can read,  
think, or "remember."
